Sir,

I have the honor to state that with a view to improve the efficiency and to exercise effective supervision over the work of the Engineering Section, it was proposed to have an Accounts clerk of the Comptroller's Office as Head clerk of that Section The subject first came up before the re-organisation committee for consideration and the Committee recommended that this Office proposal to replace the Head clerk of the section by an Accounts-clerk of the Comptroller s office on the existing sanctioned scale of Rs 50-2-60, may be accepted The Municipal Council at their meeting held on 31st July 1942, approved this proposal A copy of the resolution is herein enclosed

2 The Comptroller toGovernment had been addressed to kindly post a competent Accounts-clerk of his office in the grade of Rs 30-5/2-60 to this Municipality preferably one that had passed the accounts examination, as Headclerk of the Engineering Section A copy of my letter to the Comptroller is enclosed That Officer who had at first stated that it will not be possible to spare any experienced hand of that Department has after the position was explained to him agreed to spare a man from his office

3 The post of Head-clerk of the Engineering Section carries a pay of Rs 50-2-60 while there is no corresponding scale of pay in the Comptroller's Office In his memo No 2038/Es dated 18th February 1943, the Comptroller has posted one Mr A S Shanabhagappa in the grade 30-3-60-2½-65 with an allowance of Rs 10/-

4 I therefore request sanction of Government to post an official of the Comptroller s Office as a temporary measure as Head Clerk of the Engineering Section against the sanctioned appointment of Rs 50-2-60 (which will be kept vacant) with an allowance of Rs 10/-

Early orders are solicited

I have the honour to be,
Sir,
Your most obedient servant,

B Nageshwendra Rao
PRESIDENT 22 2

The Council had also agreed to the grant of an allowance of Rs 10/- to this official, but unfortunately this has been omitted to be recorded A resolution to this effect will also be obtained and sent

I have the horor to state that the post of Head clerk in the Engineering Section of this Municipality which comprises five hands carries a pay of Rs 50-2-60 The Head Clerk as ministerial head has to exercise effective supervision over the work of the section The accounts in the Engineering Section are all kept as in the Public Works Department and it requires therefore a good knowledge of Public Works Accounts Much inconvenience is therefore being felt for want of a man with a good knowledge of Public Works Accounts as Head Clerk of this Section

It was therefore thought desirable to get the services of an Accounts clerk of the Comptroller s Office well versed in accounts for the Engineering Section, preferably one that has passed the Accountanc examination, as Head Clerk and this proposal has been accepted by the Re-organisation committee in the first instance The subject will be placed before the Municipal Council at its meeting on 31st July 1942

By granting 4 months corbined leave to one of the official of this Municipality on Rs 50-2-60 and in making local arrangements, the post of Head Clerk in the Engineering Section on Rs 50-2-60 has temporarily fallen vacant For the reasons stated above, I request that a competent accounts clerk on your establi-ment in the grade of Rs 30-5/2-60 may kirdly be posted to this Municipality, immediately, for appointment as Head Clerk of the Engineering Section in the above leave vacancy It is also proposed to give this official an allo arce of Rs 10/- over his grade pay This is before the Municipal Council for sanction
